train in martial arts as a young teen and traveled around the United States, and internationally, learning different techniques and arts. Allwander spent some time in California where he graduated from Biola University, a private Christian university with a degree in Intercultural Studies and minor in TESOL and Bible. He left the university disgruntled because the university culture was not conservative enough and, [in his own words](#): " . . . the Word of God has been so corrupted with Satanic deception. Not only their New Age, Occult spirituality, but the rampant sexual immorality and drunkenness." After he left Biola, Allwander spent some time in Kentucky and Alabama and lived for at least one year in Korea where he taught English Language Learners and earned his 4th degree black belt.

Recently, Andrew Allwander moved back to Eugene, and currently lives with his grandmother off River Road at 250 Hawthorne Avenue, Eugene, Oregon 97404. Since his return to Eugene, he has attempted to earn money by teaching martial arts and has resorted to making house calls and teaching individual students out of garages or at a public park. Every Tuesday and Thursday from 7:30pm to 9pm, Allwander can be found at the Family Karate Center located at 577 River Road, Eugene, Oregon 97404 where he teaches Ensayo Kali (Filipino stick fighting).

Andrew Allwander grew up with a conservative mindset, which he honed at Biola university, and developed an interest in Nazi memorabilia. Even though his grandfather fought in WWII against the Nazis, Allwander seems not to have learned the lessons that the history of WWII should have taught.

My grandpa fought in WW2 and he brought home some souvenirs. This is a bayonet from a German soldier. My grandpa had some nazi daggers but they got stolen. He also had German helmets and things. It's too bad it all got stolen. I believe he saved some Reuger pistols though.

My grandpa was fighting in World War 2 against the Germans and these are some items left in his office room. His Timberwolves patches and some Nazi awards for capturing German soldiers. Real Hitler stamps!

Allwander is one such example. Pro-Trump rallies soon became more frequent and these rallies almost always drew a counter protest from antifascists. At these pro-Trump rallies, antifascists and far right advocates often met each other with physical confrontation. Andrew Allwander found a hero in this: [Kyle Chapman](#) aka “Based Stickman,” a California resident who found fame in assaulting an antifascist activist by bludgeoning them on the head with a lead pipe in Berkeley. Chapman instantly became an Alt Right figure and has since constantly been in trouble with the law due to his overt violent activities against antifascist activists and anti Trump advocates.

Andrew Allwander aims to train the Alt Right to become like Kyle Chapman aka “Based Chapman.” Note: “Kekistani” is a modern allusion to Nazi Germany; Often the far right will mock people on the Autism Spectrum.

Andrew Allwander served as the body guard for an Alt Right videographer, Keith Campbell, at the Patriot Prayer rally in Portland, Oregon on June 30, 2018. Soon after this bloody rally, Allwander joined a closed Facebook group titled “Patriot Prayer” in order to network with other Alt Right individuals with the aim of organizing and coordinating assaulting antifascist activists at the upcoming demonstration in Portland on August 4th.

estimating antifascists' research skills, but we quickly uncovered his true identity. Through a series of discussion threads in this closed Facebook group, we were able to track the horrendous plans Andrew Allwander and his accomplices plan to execute for the upcoming Alt Right Patriot Prayer demonstration in Portland on August 4th. Not only does Allwander plan to train the Alt Right in fighting skills, but he has also discussed assaulting antifascist activists, hog tying them, and even targeting women and the disabled.

Me and another patriot are doing combatives training with crowd tactics on the Saturday of the 14th. If you want to join in with us make a trip to Eugene. We are covering basic striking, targets on the body, basic clinch and standing grappling, team work in melee combat, and basic weapons fighting with using a stick and defending against a stick or blunt object as well. This is for SERIOUS people only who understand the nature of a street battle and are willing to work hard and come up with a team plan on team fighting in a riot. This is not a joke. All experienced martial artists are especially welcome. PM me for details. MUST have a photo and be friends with enough patriots to prove you are legit as well on your profile. YOU WILL BE VETTED.

Andrew Allwander plans to host a “combative training” in Eugene on Saturday, July 14th in order to train the Alt Right in tactics for use in assaulting protesters on August 4th in Portland.

When you watch the videos of Antifa attacking they always have some homeless, or drug looking lady running like an idiot with her arms in the air screaming for people to stop fighting and she gets in the middle of patriots defending themselves so Antifa gets an advantageous position. She can get you hurt if you are fighting for your life and you are afraid to hit her or think she is a neutral person. She is on their side. They have other females do this all the time at every protest you see.

The other guy is the wheel chair guy in Portland who is NOT part of the march but pretended he was in order to get in the way of all the fighting so you will avoid him. Knock his ass over next time and keep defending yourselves. They are trying to get you hurt.

Everyone has to watch out for bombs and projectiles on their own. Bombs or any firework must be kicked back at antifa if possible, and a "CLEAR!!!!" should be yelled when a bomb is on the ground near someone.

Jim Baker Also everyone MUST be totally aware of their surroundings and not get into shouting matches and stupid behavior. Silence speaks louder than words when we are acting. Also, watch for people crossing the street or attacking sides. Also look for the enemy within and boot their asses out of the march and push them out of bounds. All enemies pretending to march among us are enemy combatants. Even wheel chair guy. Push his ass out to the sidewalk.

Andrew Allwander aka "Jim Baker" details plans to hit women, knock people in wheelchairs over, kick and punch protesters in the head, and hog tie antifascist activists.

Andrew Allwander's brand "White Dragon Dojang"

Increasingly, Andrew Allwander's martial arts social media has begun to incorporate Alt Right content. Recently, he made posts glorifying the assaults by the Alt Right on antifascist activists in Portland alongside posts which show his affinity for Gavin McInnes, the founder of the white supremacist, hate group, "The Proud Boys."

Please call the owner, Elida Wagner, of Family Karate Center at 541.344.5288 or email her at info@thefamilykaratecenter.com and let her know you don't think a violent, Alt Right trainer should offer classes at her center which largely offers classes to children. Be aware while at River Road and Whiteaker area parks (especially on Saturdays) for Andrew Allwander as he often "trains" at these locations.
